Dear: Mrs. Padgett,

Thank you for your application for AFP Program Registration. We are pleased to inform you that your program, “2015 September Program Meeting”, has been approved for AFP program registration. **A recording of this program is not approved for FP&A credits. To be eligible, it must have an accompanying assessment and the passing score must be 80% or higher.**

This program has earned registration for a period of one year following the date of this letter and is extended only to multiple dates and/or multiple locations held during this one-year period of registration. Should you offer this program again next year, a new program registration application is required. Program registration is non-renewable.

You are required to use the following tagline in advertising the program: **Approved for up to 1.2 FP&A recertification credits by the Association for Financial Professionals.** Organizations are unable to deviate from this tagline or alter it in any way without prior authorization from AFP. Camera-ready copies of the FP&A logos are also provided. In the event that these logos are used, *one must immediately precede the approved tagline with no intervening verbiage.* Organizations using the logos and tagline incorrectly will be charged a fee for their incorrect usage.

FP&A's earn one credit for every 50 minutes of qualified programs covering topics related to gathering, interpreting, understanding and communicating business and financial information, and building and interpreting financial projections. FP&A's are required to provide documentation of credits if audited. AFP requires sponsors to provide verification of attendance to participants if and when requested. Sponsors may duplicate and distribute the attached *Confirmation of Attendance* form for FP&A's to retain in their files. Comprehensive recertification policy information may be found at [www.AFPonline.org/recertguidelines](http://www.AFPonline.org/recertguidelines).
